Visit the seaside town of Geraldton

Pristine beaches, clear blue water and incredible wildlife interactions – it's all here on the Coral Coast. From Cervantes in the south to Exmouth in the north, dive in feet first to all the adventure of the Coral Coast.

Nothing beats the experience of swimming with native marine animals, from dolphins to sea turtles and manta rays. Get up close to dugongs at World Heritage Listed Shark Bay and see the famous wild dolphins that swim to the shores of Monkey Mia each day.

Visitors to the Ningaloo Marine Park wonder at the unspoilt reef. The beauty of such a pristine underwater environment has to be seen to be believed. Snorkel, dive or swim with some pretty amazing creatures, including the whale sharks – these gentle giants are the biggest fish in the world.

When it's time to relax, wind down at the seaside getaway of Geraldton. Considered a wind surfing hotspot, there's also a ready supply of watersports to satisfy the action seeker.

You don't have to go far to be in a completely different environment on the Coral Coast. Venture inland to the rugged landscape of the desert. Travel from Cervantes to see the incredible limestone pillars known as The Pinnacles in Nambung National Park. Trek or canoe the steep gorges of Kalbarri, one of Western Australia's favourite national parks for wildflowers. See it all through the red rock frame known as Nature's Window.
