

Fleurieu Peninsula and Limestone Coast

Maslin Beach, Fleurieu Peninsula

Find the perfect mix of wineries, beaches and small town charm along the Fleurieu Peninsula. Under an hour from Adelaide, even the locals holiday here. It's a place where you can do anything from a dive around shipwrecks to strolling through quaint country towns.

Seaside Victor Harbor is a holiday town with sun, surf, sand and a laidback atmosphere. Encounter Little penguins at Granite Island – get there by Clydesdale-drawn tram across the causeway. From May to October, Southern Right whales are another resident of the waters off Victor Harbor.

The Fleurieu Peninsula boasts four wine regions – McLaren Vale is the best known, and has a prime spot between the hills and the ocean. The town's main street is a charming showcase of local produce, cellar doors, art and craft stores, cafés and more. More than 50 wineries dot the area and it's bursting with local produce, from olives and almonds to pheasant and cheese. Taste it all at farmers markets and roadside stalls. The Willunga Farmers Market held every Saturday morning is one of the best around.

From one great coastal region to another, see what stands the Limestone Coast apart. There's locally caught Southern rock lobster to taste and red wine from the Coonawarra region to sample at cellar doors. Explore caves in Naracoorte Caves National Park, dive among shipwrecks or cruise the waters of Coorong National Park. Self drive holiday makers love the Limestone Coast. Tucked between Adelaide and Melbourne, access to the Great Ocean Road is easily done.
